***Allowable Subject Matter***

1. Claims 1, 4-7, 9, 13-15, and 17 are allowed.

***Reasons for Allowance***

2. The following is an examiner's statement of reasons for allowance:

The present invention is directed to a broadcasting system and method for transmitting audiovisual stream data for a series of plural programs. Claims 1, 13, 14, and 17 identifies the uniquely distinct feature "the preceding data broadcasting content including first control information including an instruction which instructs the receiving apparatus to on reception of an invisible presentation instruction message, start to receive the data broadcasting content and designate the data broadcasting content to be presented, the data broadcasting content including image structure information and second control information" The closest prior art, Parasnis et al. (U.S. 6,728,753) disclose a system and method for broadcasting a presentation over a computer network to an online audience fail to anticipate or render the above underlined limitations obvious.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
